

THURSDAY 6 DECEMBER 2007

X-MAS IS APPROACHING

and it's time to round off the year with some examinations and of course party. New for the semester is that the examinations have been divided into two days. Friday the 14th, at the beginners class, examinations for 6th-4th kyu will be done. The day after, Saturday, beginning 4 pm exams for people going for 3rd to 1st kyu will be held.

After the exams a party will take place in the dojo. Please join us in support for the brave ones and of course for the X-mas party! There will be a list in the dojo naming the people eligible for testing and there will also be a list where you can sign up for the party.

THE WEEK FOLLOWING THE PARTY

there will be training as usual until Thursday. The beginner's classes, however, are not included so all of you beginners are welcome to join us in classes Taijutsu Grund (basic) and Taijutsu allmän (for all).

During X-mas time, 21st December – 3rd January, it's possible to train extra if you find a key (ask anyone with a key or borrow the spare key and sign up). To this end the e-mail list (see below) is an excellent tool.

3rd, 8th and 10th of January there will be training as follows: 6.30 pm – 7.30 pm bukiwaza (bokken, jo) for people who have trained this before, 7.30 pm – 9 pm taijutsu (for everyone).

REGULAR TRAINING BEGINS 14TH OF JANUARY

Schedule will be found soon on the homepage and in the dojo. The (new) beginner's class will start a week later. For (old) beginners all classes but advanced are open. It's recommended, however, that you take "grund" (basic) classes and that you help out in the new beginner's classes.

For everyone that has not yet taken bukiwasa (bokken, jo) classes – it's about time you started! There will be a new bukiwasa "grund" starting as of 14th of January.

THE ANNUAL MEMBERSHIP MEETING

(where you all get to have a vote!) will take place in February. Exact date and time will be posted in the dojo and on the homepage. This is the time when a new board is elected and when the old board sums up the ending fiscal year. There will – as always – be "semlor" (wheat rolls with whipped cream and sweet almond-cream!) to be enjoyed after the meeting.

E-MAIL LIST

There is an e-mail list for the members of the dojo. It's used to discuss commuting to seminars and borrowing of keys etc. If you want to join this list you do as follows:

Go to http://mail.lundsaido.se/mailman/listinfo/lak-listan_lundsaido.se and fill in our name and e-mail.

Happy holidays to all of you and see you on the mat!
